

nVent CADDY EZ Riser, 1/2" rury

NUMER KATALOGOWY

EZR0050

The nVent CADDY EZ Riser is a multi-purpose clamp designed to secure and support vertical pipe runs. This unified solution can be installed in several approved orientations and serves as a standard, standoff, or close-quarters riser—effectively functioning as three clamps in one. Ready-to-use out of the box, the nVent CADDY EZ Riser features pre-drilled threaded rod holes for standoff installations and score marks for simple ear removal in spaces where full-sized riser clamps do not fit.

Contractors can enjoy simplified material handling with a multi-functional clamp that allows for various orientations and retains listing even when ears are removed.

CERTYFIKATY

CECHY

Only one tool needed to tighten due to serrated wash-heads

Installs up to 60% faster than standard riser clamps

Integrated second set of bolt holes allow the assembly to adapt from a riser clamp into a stand-off support easily

No need to stock and use separate part families for standard and close-quarter clamps to offer a full range of listed parts

Conforms with Federal Specification WW-H-171 (Type 8), Manufacturers Standardization Society (MSS) SP-58 (Type 8)

CECHY PRODUKTU

Article Number: 179225

Material: Stal

Finish: Ocynkowane galwanicznie

Pipe Size: 1/2"

Outer Diameter (OD): 21,3 mm

Hole Size (HS): 9,9 mm

A: 215,9 mm

B: 130,2 mm

C: 22,2 mm

Static Load: 1100N

ADDITIONAL PRODUCT DETAILS

Clamp is fitted for steel pipe and should be installed below a coupling or shear lug, with bolts torqued to recommended value.

Use of a socket or driver is recommended for installation.
