

HOLM MODULAR 160 CORNER

GAMING CORNER DESK

PRODUCT FEATURES:

- Modular corner desk with adjustable height in five levels (70 - 90 cm), which allows to set its height to the user's needs.
- The main 160 x 75 cm tabletop and the corner desk of 50 x 80 cm provide a very large working space.
- The corner set can be mounted on left or right side of the main desk.
- Sturdy extendable steel frame and exchangeable side desk panels make it easy to customize the main desk to your preferences (the set includes two side panels, other sizes available on www.genesis-zone.com)
- Equipped with foldable cup and headphone holders that can be hidden under the desk without disassembly.
- Under the desk expansive cable tray designed for large power strips.
- In the frame, cable grommets for better organization of the space around the desk.
- Remotely controlled LED backlight with multiply effects and possibility to change the lighting angle.
