

The technical drawing includes a photograph of the cable assembly on the left and a detailed dimensioned drawing on the right. The photograph shows a black cable with a yellow label, a metal eyelet at one end, and a metal terminal block at the other. The dimensioned drawing provides the following specifications:

- Overall Length:** L1
- Left End:** A semi-circular eyelet with a radius of R12 and a diameter of Ø8.5. The distance from the center of the eyelet to the start of the main cable body is 64.
- Main Cable Body:** A central section with a width of 25.
- Right End:** A rectangular terminal block with a width of 46 and a height of 25. It features four circular terminals with a diameter of Ø6. The distance from the center of the eyelet to the center of the terminal block is L1.
- Mounting Details:** The terminal block is shown with mounting holes and dimensions for installation, including a 15mm offset and a 6mm hole diameter.
