## PYROPLUG® Block vacuum block

Item number: 7202515

Vacuum-packed version of the FBA-B200-14 foam block for the simple closure of the residual gap in the PYROPLUG® Block combination insulation. After mounting has been completed, the film is cut and the block expands to its original size again. The film can remain in the insulation. For interior application.

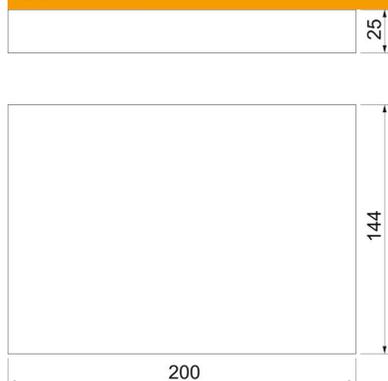

Permanently elastic, closed-pore foam
