

Brushless Suitcase Vacuum Cleaner 18V

Product description

A versatile and compact suitcase vacuum cleaner, created to quickly and effectively remove dry and wet dirt. Thanks to the blower function, it also allows you to blow dust and dirt out of narrow spaces. The low weight and handy size make it easy to transport, and the ability to install castors increases mobility in the workplace.

Key features:

- ■ dry and wet vacuuming – one device for many applications,
- ■ blower function for cleaning hard-to-reach areas,
- ■ compact design and low weight (3.5 kg) – convenient carrying and storage,
- ■ practical storage for accessories in the case,
- ■ crevice nozzle increases suction power in narrow places, wide nozzle speeds up
- ■ cleaning of large surfaces,
- ■ HEPA filter captures fine pollutants and improves air quality,
- ■ 4 castors can be installed for even more mobility.

Technology and durability:

advanced

- ■ electronics optimize engine power and extend battery life,
- ■ motor protected against dust, metal particles and seizure,
- ■ thermal protection protects against overheating,
- ■ Robust suitcase construction with protective elements.

Technical parameters:

- ■ tank capacity: 10 l,
- ■ vacuum: 15 kPa,
- ■ weight: 3.5 kg,
- ■ brushless motor,
- ■ Power supply: OneAccuSystem 18V (battery sold separately).

The set includes:

- ■ flexible hose 2 m,
- ■ crevice suction cup,
- ■ wide suction cup,
- ■ HEPA flat filter

- ■ 4 wheels.

Features:

- ■ vacuuming dry dirt,
- ■ vacuuming wet dirt,
- ■ blower.

Characteristics

- For dry and wet work – one device for many tasks.
- Blower function – ideal for cleaning hard-to-reach areas.
- Lightweight and compact design (3.5 kg) – easy to carry and store.
- Tank capacity 10 l, vacuum 15 kPa.
- Practical storage for accessories in the housing.
- Crevice and wide nozzle – precise and fast cleaning of various surfaces.
- HEPA filter – effectively captures small impurities.
- Optional castors – even more mobility in the workplace.
- Blau Power brushless motor – power, performance and durability.
- Advanced electronics – optimization of operation and longer battery life.
- Protection against dust, seizure and overheating.
- OneAccuSystem 18V power supply – one battery for a wide range of tools.
- Accessory set included: 2 m hose, suction cups, HEPA filter, wheels.
- 3-year Door to Door warranty – minimum downtime, maximum reliability.
