

18V cordless lubricator

Product description

A lightweight and compact grease gun designed for fast and precise high-pressure lubrication of vehicle components, as well as transport, construction, industrial, and agricultural machinery. An essential tool for workshops, construction sites, and farms.

Key features:

- compatible with 400 ml cartridges or 420 ml bulk grease,
- output of 280 g/min and maximum pressure of 690 bar for efficient lubrication,
- rotary switch for precise speed control,
- air bleed valve for easy removal of trapped air,
- trigger lock to prevent accidental activation,
- hose holder to avoid contamination of the nozzle or surroundings,
- powerful LED light for illuminating the work area,
- ergonomic soft-grip handle for secure and comfortable use,
- additional shoulder strap for convenient carrying.

System advantages:

Warranty:

3-year warranty with Door-to-Door service to minimize downtime.

Characteristics

- Grease delivery rate: 280 g/min.
- Maximum pressure: 690 bar.
- Capacity: 420 ml.
- Adjustable grease delivery speed.
- Air bleed valve.
- LED lighting.
- Battery sold separately.
- 3-year warranty upon product registration.
- Power supply: OneAccuSystem 18 V.
