

PRODUCT INFORMATION SHEET

WURNITZ elastic protective 3/4 trousers dark gray 2XL (56)

Product description

The WURNITZ elastic 3/4 safety trousers are made from the highest quality materials, combining durability with comfort. **The TWILL fabric**, consisting of polyester, cotton and elastane, provides not only durability but also freedom of movement, which is crucial in many working environments. Reinforcements made from **OXFORD 300D** material further enhance durability in key areas. The trousers are ideal for production, construction, transport workers and car mechanics. They are also great for service, assembly and technical work.
