

PRODUCT INFORMATION SHEET

AUSSER PVC raincoat dark grey L (52)

Product description

The waterproof AUSSER coat with a practical hood is designed to provide maximum protection against rain. The coat is characterized by its extended length, which increases its functionality and range of protection. All seams at the joints are welded, further enhancing its waterproofness and durability. It is an ideal choice for those looking for a durable yet stylish raincoat.

Characteristics

- Material: 100% **PVC**, thickness 0.15 mm;
- Completely waterproof;
- Large hood;
- 2 front welded covered pockets;
- Packed in a polybag.
