

Set of drills for metal 25 pcs.

Product description

Insert to tool cabinets with a set of selected tools necessary for workshop, craft or renovation and construction works. Useful in the cabinet of any professional.

Characteristics

- a set of 19 metal drills in size 1 – 10 mm, made of specialized alloy steel HSS4341 for drilling and making holes in steel, cast iron, non-ferrous metals and hardened plastics;
- a set of 3 pieces of step drills 4-32 mm coated with titanium nitride, adapted for drilling in various types of steel, non-ferrous metals, plastics and wood;
- disc grinding wheel Ø125 mm x 22.2 mm for grinding and deburring ordinary and stainless steel, as well as stone, wood or plastic;
- a set of two L-shaped magnetic welding guns for supporting welded metal sheets, pipes and rods, up to 9 kg;
- EVA technical foam allows you to maintain order in the workplace by providing easy and convenient access to frequently used tools.

The set includes:

Twist drill bits HT6D181

Step drill bits HT6D325

Non-woven disc grinding wheel HT8D190

Magnetic welding angles, 2 pcs. HT3B665
