

PRODUCT INFORMATION SHEET

PLUM 4-way stretch trousers navy blue M (50)

Product description

PLUM work pants are made of elastic and extremely durable 4-way stretch fabric, which guarantees high wearing comfort and long service life even during intensive work. The material adapts to your body movements, giving you complete freedom of movement and comfort all day long. Thanks to their functionality, the pants are perfect for work that requires frequent bending, kneeling and movement, which is why they are an ideal choice for carpenters, roofers and electricians. In addition, the modern cut and solid workmanship make the pants combine practicality with aesthetic appearance, meeting the expectations of professionals.
