SHINE BRIGHTER WITH LEDVANCE LED LAMPS

GREATER VERSATILITY, GREATER EFFICIENCY, LONGER LIFE

LEDVANCE LED lamps are now better than ever. The extended LED TUBE T5/T8 range makes switching to LED technology easier than ever. Our LED LAMPS ENERGY LABEL A range consumes up to 93 % less energy than traditional lamps and lasts up to 50 times longer. And our NATURELOOP products are lighting the path into a sustainable future with at least 40 % recycled plastic.
