

article#	7202800
article description	PCE worklight A2800/6.600mAh USB-C
description long	LED worklight A2800 180° rotatable joint incl. magnet, fold-out hook (360° rotatable), rubberised rim, incl. charge control and remaining capacity indicator, powerbank function Luminous flux: 700/1400/2800 Lumen Battery: Li-Ion 3,7V / 6600mAh Lighting time (max.): 13h Protection class/grade: IP64/IK08 incl. charging cable USB A to USB-C
GTIN (EAN)	9003399559389
country of origin	CN
customs number	85131000
net weight	0.685 kg
packaging quantity	1
minimum order quantity	1

ETIM 10.0	EC000987
Model	Other
Battery type	Built-in battery
Number of batteries	1
Rechargeable	True
Lamp type	LED not exchangeable
Luminous flux adjustable	Positions
Luminous flux	700 – 2800 lm
Colour housing	Black
Material	Plastic
Length	178 mm
Weight total	820 g
Degree of protection (IP)	IPX6
