

PRODUCT INFORMATION SHEET

EZRA fleece sweatshirt with OXFORD navy blue M (50)

Product description

The EZRA fleece sweatshirt is a durable and functional garment for users working in conditions requiring good thermal insulation and increased wear resistance. High-weight fleece knit fabric protects against chilling, while OXFORD 300D fabric reinforcements on the shoulders protect areas particularly vulnerable to wear and tear. Classic black and practical pockets emphasise the utilitarian nature of the model, dedicated to drivers, technical and outdoor workers.
