PRODUCT INFORMATION SHEET

Magnetic pick up tool max. 1 kg, 620 mm, flexible, LED

Product description

Magnetic handle with an additional four-arm gripper, designed for lifting heavier metal elements from places that are difficult to access. A tool that comes handy in various production plants and repair factories. Handy and practical solution for any workshop.

Characteristics

- magnet that ensures solid adhesion, integrated with a four-arm gripper enabling lifting heavy objects
- capable of lifting non-metal objects
- flexible structure enabling reaching extremely inaccessible places
- LED lamp built in the magnetic gripper
- long arm: 510 mm
- magnet force: 1.0 kg
- durable, flexible, steel structure
- ergonomic handle that enables operating LED light and gripper with one hand.
