PRODUCT INFORMATION SHEET

Adapter SDS+ for diamond core drill 130 mm

Product description

Adapter with SDS+ handle designed for segmented diamond hole saw drill bits, which enables their working with pneumatic power tools.

Characteristics

- profiled drill bit that enables solid embedding of drill in the adapter;
- adapter body made of high-quality alloy steel;
- reinforced bolt with a washer that holds the pilot drill and prevents the bolt from loosening during drilling and the drill from falling out;
- adapter length: 110 mm;
- pilot drill length: 130 mm;
- handy plastic tube makes tool storage a lot more convenient.
